

## Privacy and security

At BONAEFIDEI LONDON Ltd ("BONAEFIDEI"), we are committed to protecting the privacy and security of our customers and site visitors, including you. The BONAEFIDEI LONDON team members are customers themselves, both of BONAEFIDEI LONDON and other Internet sites. We therefore fully appreciate and respect the importance of data privacy and security on the Internet.

We believe you should feel both informed and empowered when it comes to our handling and usage of your information. This notice therefore explains:

- what information we collect when you're using BONAEFIDEI LONDON website, or when you're communicating with us;
- why we collect that information;
- how we may then use that information;
- how we share that information;
- how long we keep your information, and how we protect it whilst we have it;
- what we won't do with your information; and
- what choice and options you have to control your information.

So you only need to look in one place to find out all you need to know, this notice covers all BONAEFIDEI LONDON websites and services. That includes the [bonaefidei.com](http://bonaefidei.com) site and other products and services (collectively "BONAEFIDEI LONDON" or the "Services").

Because we're an online fashion destination, the wording needs to get a little technical. But we've done our best to try to explain things as clearly as we can. We're unlikely to have done this perfectly though, so we're always happy to take any questions, comments or suggestions relating to this notice. Just contact our [Customer Service](#) team if you'd like to discuss this with us.
